

WELL ROUNDED PROGRAM

Creative Minds Learning Centers Private Kindergarten program is well rounded with Reggio Inspired Arts in a structured schedule that also includes Healthy meals and snacks with Organic Dairy, Science projects, Gardening, Cooking Classes, Language Immersion, Music and Dance and enrichment classes offered through [Creative Outlets 4 Kids - Portland, Oregon Kids Dance and Yoga](#)

The children learn valuable social skills in a small group of ten students. The children are also involved in community programs such as recycling, composting, library outreach and meeting community helpers.

To register your child for Creative Minds Private Kindergarten, please complete this Registration Form: <http://www.creativemindslearningcenter.com/forms/CMLC-Kindergarten-Registration-Form-sendable.pdf>

EXCEPTIONAL CURRICULUM

Creative Minds Learning Centers offers an exceptional Private Kindergarten program which gives children the edge they need when entering into the elementary years. Our professional and highly educated Teachers add their unique creativity to the highly acclaimed Starfall curriculum. Starfall introduce skills and strategies in sequence, then teaches the children how to apply, integrate and practice these concepts throughout the school year. Creative Minds offers Starfall in conjunction with Math, Social Studies, History, Language, Reading, Reggio Inspired Arts, Science, Gardening, Cooking Classes, Foreign Language, Dance and other enrichment activities.

Here is a peek at Starfall curriculum :<http://more.starfall.com/downloads/N-info-curriculum/AtGlance.php>

KINDERGARTEN

Small Class Sizes of Only 10 Children!

Offered exclusively at our Broadway, Gateway and Sellwood Campuses

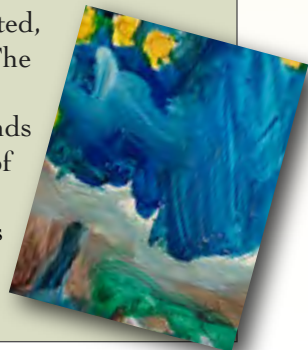

Private Kindergarten

RECOGNIZED BY THE STATE OF
OREGON

Our Kindergarten program is research-based, field-tested, and standards aligned. The State of Oregon has recognized Creative Minds as an Oregon Program of Quality. With only 10 spots available, this class fills up quickly.

Creative Minds Private Kindergarten program offers small class sizes of only ten students, all day or part day program options, convenient hours, open year round, healthy meals, snacks, Organic dairy and a well rounded program which completes the children's educational experience with their peers.

Creative Minds uses the widely recognized Starfall curriculum to meet student's needs by enabling English language learners, help struggling readers and challenge advanced students in an environment designed to support the children individually and as a group. Starfall integrates content-area instruction in Social Studies and Science.

Our professional and highly educated Teachers will guide your child on an educational journey learning about historical figures, math skills, reading, language, arts, science, gardening, enrichment classes and much more throughout the day. Working with our community is also an important aspect of our schools by writing to nursing homes, learning to reduce, reuse and recycle, composting and gardening, learning about careers from community helpers and more.
