

# JULY 2010

CMLC is most proud of the happy students that fill our schools with laughter and learning. They give us hope for the future of our company, community, and country. As we see it, the future shines as brightly as their smiles.

## THE FUTURE IS BRIGHT

On the heels of Graduation and with summer in full swing, Creative Minds is overjoyed with this year's accomplishments of our schools, staff, and students and is looking forward to what the future has in store. We have seen incredible support from the Portland community and fellow small business owners. Recently the Broadway school got to meet an hard-working crew of PDX firefighters and Westmoreland has been getting so much enjoyment from the garden space donated by Mocha Momma's. Our families continue to support our mission, as seen by the unbelievable turn-out at our Gift of Wings Ceremony last month. CMLC is still attracting educators with impressive backgrounds, who share our passion for child-centered curriculum and educational exploration.

### KIDDO CRACK-UPS

**Q.** What would you get if you crossed a patriot with a small curly-haired dog?

**A. Yankee Poodle!**

**Q.** What did one flag say to the other flag?

**A. Nothing. It just waved!**

**Q.** Why did Paul Revere ride his horse from Boston to Lexington?

**A. Because the horse was too heavy to carry!**

## HAPPY BIRTHDAY
